July 2006

### 2007 Recycling Grant Application

Enclosed is the application for Recycling Grants to Responsible Units and Recycling Efficiency Incentive Grants for 2007. **Please be aware that the application must be in this office or postmarked by October 1, 2006\* for the Recycling Grants to RUs and October 30, 2006 for the Recycling Efficiency Incentive Grants.** This is the only copy being sent to your responsible unit. If you are not responsible for completing this application, please give the application packet to the person who is responsible. Instructions for completing the application, as well as an ordering form for recycling publications which you may find useful, are also included. If you need an additional copy, please contact us. Forward the application and publications order form to us using the address on page 2 of this letter.

#### Filing an Application

Please complete all seven pages of the grant application, only page 3 if applying for the REI grant. The five financial forms at the end of the application should be used to detail your recycling program costs. Retain these financial forms (pages 4-8) in your files. **Be sure to transfer the information from these forms to section 2, page 2, as indicated. The transfer of these numbers is especially important because we are asking that you submit only pages 1 and 2 to the Department.**

This application must be postmarked by October 1, 2006\* for the Recycling Grants to RUs in order to receive full grant funding. Late grant applications will only be eligible for a reduced grant according to the following schedule for the Recycling Grants to RUs:

Applications submitted by:	% of Grant Award Funded:
October 10	95%
October 20	90%
October 30	75%
October 31 or later	0%

**If the application is not postmarked by October 31, your responsible unit will not be eligible for a 2007 recycling grant.**

**\*In 2006, October 1 falls on a Sunday. When this occurs, Wisconsin statutes allow applications to be postmarked as late as Monday, October 2.**

### **Effective Program Criteria**

Please note that the responsible unit must continue to maintain an approved effective recycling program that meets state law in order to be eligible for a recycling grant.

### **Mailing Address**

Please submit **pages 1 and 2 only** of the original, completed 2007 grant application, and page 3 if applying for the REI grant to:

**Recycling Grants  
Bureau of Community Financial Assistance  
Department of Natural Resources  
PO Box 7921  
Madison, WI 53707**

NOTE: You may submit the REI Grant application along with the Recycling Grant to RUs to save time, but the actual deadline for the REI Grant is October 30, 2006.

If you have any questions or need help with these forms, please contact:

Diane Glodoski  
Recycling Grants Program Assistant  
608-264-8902  
Diane.Glodoski@dnr.state.wi.us

Thank you!

Candice Sovinski, CF/8  
Recycling Grant Program Manager
